RE: Blanket Extension for Reporting of FY '94 Affected Acreage

Land Reclamation Division Memorandum No. 94-3, dated July 7, 1994, indicated the due date for submitting FY '94 affected acreage reports is September 1, 1994. A blanket extension is being granted because of delays in taking the Department's annual aerial photographs. Since the aerial photos are still not available, the due date is hereby extended to November 15, 1994, for submission of the affected acreage reports.

Should you have any questions regarding the reporting of affected acreage, please do not hesitate to contact your field representative or this office.
