RE: Blanket Extension for Reporting of FY '93 Affected Acreage

Land Reclamation Division Memorandum No. 93-3, dated July 15, 1993, changed the due date for submitting FY '93 affected acreage reports from September 1, 1993, to October 1, 1993. The blanket extension was granted because of delays in taking the Department's annual aerial photographs. Since the aerial photos are still not available, the due date is hereby extended to November 1, 1993, for submission of the affected acreage reports.

Should you have any questions regarding the reporting of affected acreage, please do not hesitate to contact your field representative or this office.
