LAND RECLAMATION DIVISION
MEMORANDUM NO. 97-4

TO: All Underground Coal Mine Operators

DATE: March 6, 1997

FROM: Don Pflederer, Supervisor
Land Reclamation Division

SUBJECT: Annual Underground Workings Map
62 Ill. Adm. Code 1817.121(g)

The Department wishes to remind all underground coal mine operators to provide the required underground workings map by **April 1, 1997**. The map must detail pillar geometry for the entire mine plan and delineate areas mined each calendar year since 1988 with projections for at least one year. Please refer to this regulation for all necessary map information. You may also wish to refer to Land Reclamation Division Memorandum No. 95-1 concerning the cumulative aspect of this map. The current map on file at the Department defines from 1988 through 1995 with 1996 projections. The map, due by April 1st. should define the actual mining performed through 1996 with 1997 projections.

If you have any questions, please contact Dan Barkley at (217) 782-4970.

Effective July 1, 1995, the Illinois Department of Natural Resources was created through the consolidation of the Illinois Department of Conservation, Department of Mines and Minerals, Abandoned Mined Lands Reclamation Council, the Department of Transportation's Division of Water Resources, and the Illinois State Museum and Scientific Surveys from the Illinois Department of Energy and Natural Resources.
