Consideration of the motion to continue the hearing of Randy Nowland before the Special Committee of the State Mining Board

The Special Committee of the State Mining Board had scheduled a hearing for Mr. Nowland to be held on February 17, 2022. On February 14, Amy Oakes, legal counsel for IDNR submitted a motion to continue the hearing. Since no objection to the motion to continue was filed by Mr. Nowland's counsel, the Board members voted unanimously to grant the motion to continue. The hearing of Randy Nowland before the Special Committee of the State Mining Board was continued generally.

Jacob Gyore, clerk for the Special Committee, informed Mr. Rhine that due to the Open Meetings Act, the vote could not be held but would be added to the agenda for the next Special Committee meeting.
