Thank you for your interest in bidding on past Office of Mines and Minerals Abandoned Mined Lands Reclamation Division reclamation construction projects.

The Office of Mines and Minerals will be migrating from the IDOT Transportation Bulletin to Bidbuy for our bidding of reclamation construction projects.

In order to receive invitations for bid notifications on future reclamation construction projects, please register-in Bidbuy. Below is the link to Bidbuy and the register button is in the upper right corner.

Please select all the applicable NIGP codes when you register. The typical NIGP codes would be contained in 912 Construction Services, General. The bidders are notified of current bidding projects, based on the contractor's registered NIGP code. Some examples of the applicable codes include:

- 912-23 Construction General
- 912-40 Demolition
- 912-44 Excavation

Smaller projects may be bid as a Small Business Set-Aside. A small business is defined as one that is independently owned and operated, is not dominant in its field or operation, and CONSTRUCTION business cannot exceed \$14 Million in annual sales and receipts. If your company meets this criteria, we encourage you to register as a small business.

Sincerely

Rita M. Lee, P.E.
