# 2012 RESIDENT FIREARM DEER PERMIT APPLICATION

YOU CANNOT USE THIS APPLICATION TO APPLY FOR A MUZZLELOADER-ONLY PERMIT.

## APPLICATION INFORMATION

- Applications will be **rejected, fees forfeited and permits revoked** if you receive or attempt to receive more than one either-sex and/or one bonus antlerless-only FIREARM permit before August 14. You can apply in both of the firearm and muzzleloader-only lotteries.
- Landowners or tenants that apply for or receive Free Property Only Hunting Firearm Deer Permits cannot apply in the firearm first or second lotteries, but may apply in random daily drawings.
- NO permit transfers are allowed and no refunds will be made unless your county, hunt area or permit type is not available.
- The permit office is not open on weekends. Please call 217-782-7305 if you have a question or need an application. IDNR information is available to the hearing impaired by calling DNR's TTY: 217-782-9175.

## FEE

- You must enclose your fee payable to the IDNR. **DO NOT SEND CASH.**
- Go to our online permit inquiry system to see if you are awarded a permit or issued a refund. 1st lottery results will be available early June; 2nd lottery results in early August; random daily drawings results approximately five weeks after your application receipt date.

## FIREARMS

- The only legal firearm hunting devices to take, or attempt to take a deer are: (a) a shotgun of not larger than 10 nor smaller than 20 gauge, not capable of firing more than 3 consecutive slugs; (b) a muzzleloading rifle of at least .45 cal. shooting a single projectile; (c) a centerfire revolver or centerfire single-shot handgun of .30 caliber or larger with a minimum barrel length of 4 inches.

## SEASON DATES

- November 16, 17 & 18 (first season); November 29, 30 and December 1, 2 (second season)

## PREFERENCE SYSTEM

- In order to be eligible for preference, an applicant for the first firearm lottery must check the Second Season Option box on the application, indicating that he/she will accept a second season permit if there are no remaining full season permits. An applicant who then receives an either-sex second season permit in the first lottery, or who is rejected, is eligible for preference in that county the next year. This does not apply to special hunt areas and bonus antlerless-only permits.

Anyone can apply for a firearm deer permit from the Department Home Page: [www.dnr.illinois.gov](http://www.dnr.illinois.gov). The application contains edit checks to minimize potential application errors and issues a receipt. There is a nonrefundable handling fee for each transaction. Payment of fees is by credit card or electronic check.

All counties are open to firearm deer hunting except Cook, DuPage, Lake (except Chain O' Lakes State Park) and that portion of Kane county east of State Route 47.

## SPECIAL HUNT AREAS

- Special hunts held on federal or state lands are regulated by the agency which manages the property. Some of these areas are included in the lotteries (see list below). If you wish to apply for a permit to hunt one of these areas, enter the abbreviated name of the area on your application. Special Hunt Area permits are not valid anywhere else in the county. County permits are not valid for the Special Hunt Areas listed on this application.
