Producing Our Future
Illinois State Fair

Welcome to Conservation World 2016

Illinois Department of Natural Resources

Conservation World!

Conservation World features a wide array of free entertainment and hands-on activities that will entertain and educate our visitors about the outdoor recreational opportunities, and Illinois' natural and cultural resources throughout the state.

Saving Species!

Our theme this year is **Saving Species!** Learn about saving species, including the native monarch butterfly and other Illinois pollinators. Visit the tents with a **Saving Species!** banner displayed to learn about these options. You'll find many activities and exhibits, too.
