

Illinois Monarch Butterfly Summit

September 9, 2016
10:00 a.m. to 4:00 p.m.
Illinois Department of Natural Resources
Springfield, IL
Agenda

Meeting Goals

- Build shared understanding of existing and needed Monarch-related activities around the state.
 - Begin to establish a collective voice and hub for Monarch conservation in the state of Illinois.
 - Develop the foundations for sector-specific action plans, including establishing next steps for ongoing 'Task force' coordination and communication after the event.
-
