Springfield, Illinois 62702-1271

HIGH VOLUME HORIZONTAL HYDRAULIC FRACTURING REGISTRATION FORM HVHMF-01

Registrant must submit this Registration Form at least 30 days *prior* to submission of the registrant's first horizontal, high-volume hydraulic fracturing permit application. The registration information will be evaluated, and you will receive a notice by EMAIL whether your registration has been approved.

NOTE – 1. This Registration Form is subject to change and therefore the registrant may be required to provide additional information after the adoption of the Hydraulic Fracturing Regulatory Act Administrative Rules. 2. Once your registration is approved, if any information changes, you must provide updates within 60 days of the change using this same form and marking the 'Update' box. 3. Applications for High Volume Horizontal Hydraulic Fracturing *permits* will not be accepted until the adoption of the Hydraulic Fracturing Regulatory Act Administrative Rules.

Registration Instructions

1. Download the following five documents listed in #4 below. Complete the documents AND SAVE LOCALLY.
2. After completing, you must PRINT the five documents and mail to:

Illinois Department of Natural Resources
One Natural Resources Way
Attn: Oil and Gas Division, Fracking Registration Office
Springfield, Illinois 62702
3. You must ALSO attach the five documents in an EMAIL and email to:
DNR.HFRegistration@partner.illinois.gov.
4. Please complete ALL five documents. If detail is not needed in attachment 2 and 3, please submit each with 'Not Applicable – {and your reason}'.
 - a. [Hydraulic Fracturing HVH Registration Form](#).
 - b. [HVH Attachment 1-Proof of Insurance](#). Please provide proof of insurance to cover injuries, damages, or loss, related to pollution or diminution in the amount of at least \$5,000,000 from an insurance carrier authorized, licensed, or permitted to do this insurance business in this state.
 - c. [HVH Attachment 2](#) – Provide name and address of the parent, subsidiaries or affiliates.
 - d. [HVH Attachment 3](#) – If the parent, or any subsidiary/affiliate of the registrant has been found to be in serious violation of any federal or state laws, or regulations in the development or operation of an oil or gas exploration or production site via hydraulic fracturing within the last 5 years; please provide a detailed description as to the nature of the violation(s), whether the matters are resolved, or their current status.
 - e. [OIL and Gas Form 1 \(OG-1\), Permittee Status Reporting Form](#).
5. Please email any questions or requests for assistance regarding registration ONLY to:
DNR.IHFHelp@partner.illinois.gov.
