**Section 528.10 Definitions**

"Bona fide current income beneficiary" means, an individual who, at the time of application for a permit:

is entitled to income (whether income exists or not) from the trust that owns the land the applicant wishes to hunt with no condition precedent (such as surviving another person, reaching a certain age, etc.) other than the trustee distributing the income; and

is listed by name in the trust documents as an income beneficiary.

"Bona fide equity member" means an individual who:

became a member upon the formation of the limited liability company, or has purchased a distributional interest in a limited liability company for a value equal to the percentage of the appraised value of the limited liability company assets represented by the distributional interest in the limited liability company and subsequently becomes a member of the company pursuant to Article 30 of the Limited Liability Company Act [805 ILCS 180]; and

intends to retain the membership for at least 5 years.

"Bona fide equity partner" means an individual who:

became a partner, either general or limited, upon the formation of the partnership, or has purchased a distributional interest in the partnership or limited partnership for a value equal to the percentage of the appraised value of the partnership assets represented by the distributional interest in the partnership;

intends to retain ownership of the partnership for at least 5 years; and

is a resident of Illinois. Nonresident partners cannot receive permits under this Part.

"Bona fide equity shareholder" means an individual who:

purchased, for market price, publicly sold stock shares in a corporation, purchased shares of a privately-held corporation for a value equal to the percentage of the appraised value of the corporate assets represented by the ownership in the corporation, or is a member of a closely-held family-owned corporation and has purchased or been gifted with shares of stock in the corporation accurately reflecting his or her percentage of ownership; and

intends to retain ownership of the shares of stock for at least 5 years.

"Immediate family of a landowner or tenant" means, and is limited to, the spouse, children and parents permanently residing on the same property as the landowner or tenant.

"Landowner permit", "tenant permit" or "property only hunting (POH) permit" means any permit issued under this Part to any individual or entity for purposes of hunting only on the property owned or leased by that individual or entity.

"Tenant" means, for purposes of this Part, one who rents 40 acres or more of land for commercial agricultural purposes under an agreement with a landowner.

### **Section 528.20 Eligibility for Landowner/Tenant Permits**

- a) Qualified applicants are limited to:
- 1) Landowners of 40 acres or more of land and their immediate families, and resident tenants renting or leasing 40 acres or more of commercial agricultural land and their immediate families. If the property is owned or rented by more than one person, only one landowner (and immediate family) or one tenant (and immediate family) shall be issued a permit on a first-come, first-served basis for every 40 acres of owned or rented land. For example, if 3 persons own 90 acres, only 2 of the landowners and their immediate family may receive permits.

    - B) Lands leased to corporations, limited liability companies, trusts or partnerships shall not be considered a basis for a permit for the shareholders, members, beneficiaries or partners of the lessee.
    - C) Lands held in trust by corporations, limited liability companies or partnerships shall not be considered a basis for a permit for the shareholders, members or partners of the trust.
  - b) For the purposes of calculating acreage, *the Department shall, after determining the total acreage of the applicable tract or tracts of land, round remaining fractional portions of an acre greater than or equal to half of an acre up to the next whole acre* [520 ILCS 5/2.11 and 2.26].
  - c) A hunting rights lease, or other nonagricultural lease, is not valid as a basis for obtaining a landowner permit.

  - f) All permits issued to a bona fide current income beneficiary, bona fide equity shareholder, bona fide equity member or bona fide equity partner are valid on all lands owned by the trust, corporation, limited liability company or partnership in the county for which it was issued.
  - g) Illinois landowners or tenants who do not wish to hunt only on the land they own, rent or lease must apply for permits in the same manner as the applicant who is not a landowner or tenant.
  - h) For hunting seasons that require a lottery for the initial distribution of non-landowner permits to hunters (firearm deer, fall firearm turkey, and spring turkey), individuals who have received a landowner permit, or who have submitted application for a landowner permit that is still pending, may not apply for additional permits in the First or Second Lottery Drawing for that season.
