Section 710.20  Statewide Turkey Permit Requirements

a) All turkey hunters must have a current, valid Spring Wild Turkey Hunting Permit. Lifetime licenses issued after August 15, 2006 shall not qualify a non-resident of Illinois for a resident turkey permit. All hunters, except those exempted by Section 3.1 of the Wildlife Code [520 ILCS 5/3.1] are also required to obtain a hunting license before hunting wild turkey. Fees for spring turkey permits are as follows:
1) Permits issued via lottery by Permit Office:
   Illinois Resident lottery permit – $15
   Nonresident lottery permit – $125

2) Over-the-Counter (OTC) Permits sold by license vendors pursuant to subsection (g); all prices include vendor's issuing fee:
   Illinois Resident OTC Permit – $15.50
   Nonresident OTC Permit – $125.50

b) Permits are issued for a specific county or area and are valid only in the county or area designated on the permit. Applications for wild turkey permits shall be completed and submitted by visiting one of the Illinois Department of Natural Resources' DNR license vendors, by applying on-line at www.dnr.illinois.gov or by writing to:

   Department of Natural Resources – Spring Turkey
   One Natural Resources Way
   P.O. Box 19446
   Springfield, Illinois  62794-9446

c) Applicants must supply all information necessary to complete the application. Incomplete applications will be rejected and fees returned. Each applicant must submit payment for his/her individual application at the time of application. Not more than 6 applications may be submitted for group hunters.

d) Applications from Illinois residents will be accepted through December 1 for the First Lottery Drawing. Applications received in the permit office after December 1 will be included in the next computerized drawing. Permits are not transferable and refunds will not be granted. Permits will be allocated in a computerized drawing to be held in Springfield. Applicants rejected in this drawing will receive preference in the next year's drawing for spring season permits subject to guidelines outlined in subsection (h).

e) Permits not issued during the first computerized drawing will be available in a Second Lottery Drawing. Applications for this drawing will be accepted through the first working day after January 10. Applications received after this date will be included in the next drawing. All hunters not receiving a permit in the first computerized drawing and non-residents are eligible to apply for permits remaining for this Second Lottery Drawing. All resident permit applications will receive preference over non-resident applications.

f) Any hunter who has not received a permit, and hunters that have received only
one permit, may apply for a first or a second permit in a third computerized lottery drawing for the remaining permits. All resident permit applications will receive preference over non-resident applications. Applications for this Third Lottery Drawing will be accepted through the first working day after February 8. Applications received after this date will be rejected and fees refunded.

g) Permits remaining after the Third Lottery Drawing will be available over-the-counter (OTC) from agents designated by the Department (pursuant to 17 Ill. Adm. Code 2520) beginning the second Tuesday in March on a first-come, first-served basis. Permits will be sold until quotas are exhausted, or until the close of the specific turkey season segment (i.e., 1-5) in Zone (north vs. south) for which the permit is being requested. Persons may purchase one or more permits during this period, subject to availability, except that no one may exceed the limit of three permits in total for spring turkey hunting, including youth and landowner permits.

h) The following criteria must be met to obtain preference in the first computerized drawing:

1) The applicant must apply using the official agency application.

2) The applicant must be a resident of the State, be eligible to receive a spring turkey permit, and not had turkey hunting privileges revoked.

3) The applicant must apply for the same county and season choices which he/she listed on the previous year's application. Preference will not be granted for special hunt areas as listed in Section 710.25 or for permit areas listed in Section 710.50(c).

i) A $3 service fee will be charged for replacement permits issued by the Department.

j) The periods for accepting applications for the lotteries may be extended if applications are not available to the public by November 1. A news release will announce the extension of the application periods.

k) It shall be unlawful to:

1) Submit applications before the second computerized lottery drawing for more than one permit for the same person.

2) Submit applications before the third computerized lottery drawing for
more than two permits for the same person.

3) Apply for or receive more than three permits for the spring turkey season. The three-permit total includes any landowner permit or youth turkey permit received.

4) Provide false and/or deceptive information on a permit application form. In addition to criminal charges, individuals found guilty of violating this section shall have their application rejected, permit revoked, and fees forfeited.

2) to take any wild turkey except a hen with a visible beard or a gobbler (male);

3) to take, or attempt to take, more than three wild turkeys during the spring season, one must have a valid permit for each turkey that is taken;

8) to transport or leave a wild turkey without first attaching the temporary
harvest tag to the leg in the manner prescribed on the permit. Immediately
upon kill and before the turkey is moved, transported or field dressed, the
hunter must properly attach the temporary harvest tag to the leg. Successful hunters must register their harvest by 10:00 p.m. on the same

turkey has been checked in. The turkey must remain whole (or field
dressed) until it has been checked in;

9) for any person to shoot a wild turkey while it is in a tree before 7:00 a.m.;

10) for any person to hunt wild turkeys without possessing a Wild Turkey
Hunting Permit which shall include the hunter's signature recorded on the

or to attempt to call a turkey by making these sounds while in the field in
the Southern Zone from March 15 through the day before the 1st turkey
season and in the Northern Zone from March 22 through the day before
the 1st turkey season. This prohibition only applies in counties open to
