

FORESTS AND WOODLANDS CAMPAIGN

Actions	Stresses Addressed	Habitats Improved Primary (Secondary)	Priority Locations	Performance Measurement Options	
				Outputs	Outcomes
Maintain, enhance composition	Habitat condition	Forest, open woodland, savanna, barrens, shrub/successional	Statewide	Acres burned, TSI, invasive control; miles of successional borders, acres of restored open woodlands, number of reintroductions	Oak, hickory, maple importance values; non-native ground cover, non-native shrub density, bird diversity (CTAP), T/E delistings
Target increased acreage	Habitat extent	Forest, open woodland, savanna, barrens, shrub/successional	Riparian corridors, >55-acre patches, Shawnee Hills, Ozark, Wisconsin Driftless, Lower Kaskaskia River, Pere Marquette, Castle Rock	Acres reforested, miles of riparian forest	Patch connectivity, fragment size (number >500 acres, >5,000 acres)
Assist private forest management	Habitat condition	Forest, open woodland, savanna, barrens, shrub/successional	Statewide	Acres in FDA, other programs; laws, programs encouraging access	Oak, hickory, maple importance values; non-native ground cover, non-native shrub density, bird diversity (CTAP), deer population index
Marketing, technical assistance, demonstration	Habitat condition	Forest, open woodland, savanna, barrens, shrub/successional	Statewide	Workshops (offered attendance), requests for services (number filled), acres treated	Oak, hickory, maple importance values; non-native ground cover, non-native shrub density, bird diversity (CTAP)
Zoning and smart growth	Habitat condition, habitat extent	Forest, open woodland, savanna, barrens, shrub/successional	Statewide	Workshops, publications	All within campaign
Fill info gaps, develop improved actions	Varied, all	Forest, open woodland, savanna, barrens, shrub/successional	Statewide	Studies funded/completed	All within campaign
Restore, manage high-quality communities	habitat condition	Forest, open woodland, savanna, barrens, shrub/successional	Statewide	Acres protected, enhanced	Acres of INAI forest, savanna, barrens
