Documentation for Fingerprinting

Purpose Code: DMM

ORI: IL920500Z

Documents to bring with you:

You should bring your driver's license or state issued identification card with you for fingerprinting. You should take these instructions. **Some vendors may require you submit a completed version of this final page as a record of the fingerprinting process.**

The vendor should issue a receipt to you identifying your TCN number. The TCN number is a unique number, which will be assigned when you are fingerprinted. It is important that you maintain a copy of the TCN number in case you need to track the processing of your fingerprints.
