Please read the information in this brochure for a brief overview of employment opportunities from the Illinois Department of Natural Resources (IDNR) in the Office of Water Resources (OWR). For further information or general employment information contact:

*Loren Wobig, P.E., CFM
Rick Gosch, P.E.*

*Illinois Department of Natural Resources
Office of Water Resources
One Natural Resources Way
Springfield, IL 62702-1271
(217) 782-4636*

or visit our website at: www.dnr.illinois.gov

Click on the "Natural Resources" button on the menu bar, then select the "Water Resources" link.

STARTING BENEFITS:

37.5 Hour work week

3 Personal Days a Year

12 Sick Days a Year

10 Vacation Days

Overtime Compensation

Deferred Compensation

Life Insurance

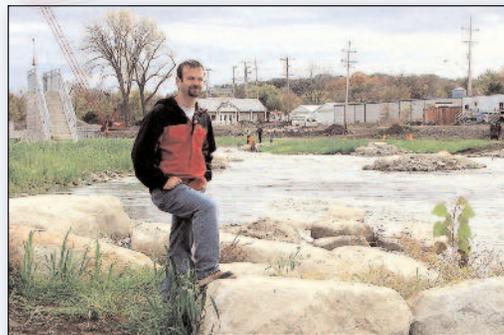

Group Medical, Dental and Vision Insurance

(3 plans to choose from)

TECHNOLOGIES:

- Satellite Flood Monitoring
- GIS applications
- Digital Ortho Photo Quads
- 3D Groundwater Modeling
- Fish Passage Structures
- Boat Passage Structures
- Digital Mapping Products
- Steady State and Dynamic Hydraulic Modeling
- Geo-Modeling
- 3D Project Designs
- Modern Computer Technologies
- Video-Conferencing

CONTINUING EDUCATION:

There are opportunities for hands-on-training, special classes, technical seminars and conferences as well as opportunity to pursue advanced degrees.

PROFESSIONAL DEVELOPMENT:

- Come in as a trainee for seven months.
- CE-I (Promotion with salary increase)
- CE-II (Promotion with salary increase after 12 months as a CE-I)
- CE-III (Promotion with salary increase after 24 months as a CE-II)
- Potential Management with a P.E. license

**Reasons To Join
The Office Of Water Resources Team:**

We are a Professionally Led and Driven Organization

Rapid development of new engineers through progressive job responsibility and exposure to a wide variety of tasks and assignments requiring unique and innovative solutions

Leader in the advancement of water resource technologies through research sponsorship with the University of Illinois, Illinois State Water Survey and other government agencies.
