Dear Mr. Wozniak:

This letter is in reference to the above mentioned project. The Department has previously reviewed this project (Project # 1301190) and concerns have been mitigated. The Department has no objections to issuance of a USACE permit.

Please note that this review by the IDNR Office of Realty and Environmental Planning does not preclude permit decisions made by the IDNR Office of Water Resources under the Illinois Rivers, Lakes, and Streams Act.

Thank you for the opportunity to comment. Please contact me if you have any questions regarding this review.

Sincerely
