**Project Number(s): 1501463 (USACE LRC-2014-190)**  
**County: McHenry**

Dear Mr. Hall:

This letter is in reference to the above mentioned project involving the construction of a 972 sq. ft. deck along the Fox River at the Broken Oar Marina, Bar & Grill. The natural resource review provided by EcoCAT identified protected resources in the vicinity of the proposed action. The Department has reviewed this information and concluded adverse impacts are unlikely. The Department has no objections to issuance of a USACE permit.

Please note that this review by the IDNR Office of Realty and Environmental Planning does not preclude permit decisions made by the IDNR Office of Water Resources under the Illinois Rivers, Lakes, and Streams Act.

Please contact me if you have questions regarding this review.
