County: Lake

Dear Mr. Markowitz:

The Illinois Department of Natural Resources has reviewed the above-mentioned project. This project was also previously reviewed and coordinated between the Department and the Illinois Department of Transportation. The Department has no objections to the issuance of a U.S. Army Corps of Engineers permit.

Please note that this review does not preclude permit decisions made by the IDNR Office of Water Resources under the Illinois Rivers, Lakes, and Streams Act.

Please contact me if you have any questions regarding this review.
