RE: Talmadge Ave over Bull Creek
Project Number(s): 1605780 [Hey #15-0438]
County: Lake

Dear Mr. Rauch:

The Illinois Department of Natural Resources has reviewed the above-mentioned project and has no objections to the issuance of a U.S. Army Corps of Engineers permit.

However, the Illinois Beach Nature Preserve and protected species are located downstream of the project. The Department recommends strict adherence to sediment and erosion control BMP's to avoid impacts to protected resources downstream.

Please note that this review is separate and distinct from any other action or regulatory authority of the Department. This review does not satisfy consultation requirements under Title 17 *Illinois Administrative Code* Part 1075. Please contact me if you have any questions regarding this review.
