**August 9, 2016**

***Red Bud Masonic Lodge 427 is hosting their fifth annual Sporting Clay Shooting event on Saturday, October 15, 2016. This Year we have renamed this event The CHASE MONKMAN MEMORIAL SPORTING CLAY SHOOTING EVENT in honor of our recently passed Brother Mason Chase Monkman.***

***The Red Bud Masons and Brother Chase support many organizations involving children with our CHIP Child Identification Program, Red Bud Tree program where all pre-schoolers in our area receive a Red Bud Tree on Arbor Day, Red Bud Lodge sponsors a child at the Masonic Children Home in Murphysboro. During the Holiday season we as a lodge take part in a food drive for the Human Service Center. Also take part in gifts for under privileged children at Christmas. Through the Coins for Children Program sponsored by the Grand Lodge of AF&AM of Illinois Red Bud Lodge was able to assist with purchasing items for the Special Education Program at Red Bud Elementary School this past year.***

***We also sponsor two high schools at the Masonic Academic Bowl competition each year. These are just a few of the things our Lodge is involved in and it takes businesses like you to help us support all the above plus some we have not mentioned.***

***We continue to search for areas of need where we may be of assistance to someone. We appreciate the support of your sponsorships and for you helping our lodge and community.***
